PORT AGENCY

All types of Vessels

Lamu Shipping has built up professional Shipping Services for supporting vessels being represented by our agency at Mombasa port. We uphold high integrity while supporting various vessels calling at the port of Mombasa in their discharge and loading operations. We take full charge of vessels needs during port operations.

LSL is the first Ship agency to setup operations in Lamu port.

We are geared to offering competitive integrated services for carriers with interest in coastal trades.

Ship Husbandry & Crew Services

Your Partner in port, and ultimate agent of choice.

Besides vessels' need for Ship Agency when in port, other extensive range of Husbandry and crewing services may be required for ships. The ship owner may need such services to be offered separately from the agent handling the ship port call. LSL endeavor to act as an extended team of ship owner, and are dependable to look after owner's interests.

We employ our local knowledge and connections to take care of your crew, spares and provisions logistics, transport facilitation and more – cost effectively and on time. LSL also act as ship owners protecting agents at Mombasa port.

SHIPPING ADVISORY & CONSULTANCY SERVICES

Customized consultancy services

Lamu Shipping has developed unparalleled information and database for trade, port, and shipping markets, together with considerable and wide-ranging expertise accumulated on the part of our principals and consultants.

We provide customized consultancy services for port authorities, terminal operating companies, governments, shipping lines, logistics operators, and the wider financial community.

COMPLEX PROJECT CARGO HANDLING AND LOGISTICS

PROJECT CARGO HANDLING & LOGISTICS SERVICE

We provide comprehensive logistics solutions for complex project cargo in Oil and Gas, Construction, Steel and Industrial project sectors. With our high end equipment and vast experience we are able to provide our customers with complete solutions for your heavy machinery.
